Sunbal Sabir

QAEngineer | Manual &Automation Testing | Blockchain, Web3 & E-commerce

Karachi, Pakistan | +92 341 8719793 | sunbalsabir129@gmail.com | linkedin.com/in/sunbal- sabir-45446232b

Summary

QA Engineer with 4+ years of experience in manual and automation testing across web, mobile, and API products in blockchain, Web3, e-commerce, and IoT. Skilled in Cypress, Playwright, Appium, Postman, and JMeter, with clear bug reporting and close collaboration with developers.

Skills

Automation: Cypress, Playwright, Appium

API & Performance: Postman, JMeter (load and stress testing)

Testing & QA: Functional, Regression, Smoke, Exploratory, Mobile, Test Planning, Test Case Design, Bug Tracking, Requirement Analysis

Tools: Jira, GitHub, Notion, Chrome DevTools.

Domains: Blockchain, Web3, E-commerce, IoT

Professional Experience

QA Engineer (Admin Team) | MSQUARE GLOBAL

Feb 2025 – Present | Hybrid

- Built and maintained automated test suites for a blockchain-based application and its admin web panel, covering core user and admin flows and speeding up regression testing
- Designed and ran load and stress tests in JMeter for an e-commerce website, identifying performance bottlenecks and sharing findings with developers
- Performed manual functional, regression, and exploratory testing on a Web3 project, reporting defects with clear steps to reproduce
- Validated APIs with Postman and worked with developers and product teams across release cycles

QA Engineer | Auton8

2023 – Feb 2025 | Remote

- Developed automated test suites to protect the quality and accuracy of software features
- Used Chrome DevTools and other debugging tools to find and diagnose issues
- Worked with developers to trace bugs to root causes, verify fixes, and track detailed bug reports through to resolution

QA Engineer | IOT Solutions

2021 – 2023 | Remote

- Wrote and executed test plans and test scripts to find and document software defects
- Helped set up QA processes and apply consistent testing and quality standards across engineering teams

Education

Bachelor of Computer Science | Karachi University | 2020 – 2022

Languages: English, Urdu
